Project Live Link: [Tools 121: Home](#)

Technology: Next.js | React | Redux | JavaScript | Tailwind CSS | Shadcn UI | HTML | CSS

- Developed reusable, efficient, and performance-optimized components using the latest Next.js framework with React for the project. Next js middleware and server components for efficient performance.
- Integrate APIs with the front end to display all necessary data to the user.
- State management and API integration using Redux and tool kit.

Freelance Experience:

Project: [Chat Health - Australia's First AI Pre-Screening Company](#)

Technologies: Next.js | React | Redux | JavaScript | Tailwind CSS | Shadcn UI | HTML | Type-script

Built a scalable frontend using Next.js 14 (App Router) and TypeScript with a feature-based architecture, Redux Toolkit, and RTK Query for efficient state management and API caching. Implemented secure JWT-based OTP authentication, role-based routing and access control via middleware, and modular API integration with automatic token refresh handling. Developed real-time voice transcription using Microsoft Azure Speech SDK.

Project: [socialreportcard.com](#)

Technologies: Next.js | Type-script | React | Redux | JavaScript | Tailwind CSS | Shadcn UI | HTML | CSS

An AI-powered platform that generates structured company reviews and scores by analyzing sentiment and engagement data from multiple social media sources. I implemented the production-ready application using Next.js, handling frontend architecture, AI API integration, state management, performance optimization, and SEO-focused UI/UX.

Technical Skills:

Comfortable: JavaScript | Type-script | HTML | CSS | Tailwind | React | React Router | Next.js | Daisy UI |

Shadcn UI | Familiar: MongoDB | React Hook Form | Axios | React Query | Node | Express | Shadcn UI | JWT |

Rest API Tools: Firebase | Clerk | Postman | Vercel | GitHub

Education and Certification

- B.Sc. in Petroleum and Mining Engineering from the Military Institute of Science and Technology (2019- 2023)
- Complete Web Development – Programming Hero (2023)

Additional Information

Language: Bangla: Native Speaker || English: Comfortable in written and verbal communication.
